Nature Of Opinion

Docket Number: E-01345A-16-0036

Docket Position: Against

I oppose the following changes: Commercial and solar account holders no longer able to refuse a "smart" meter. No more analog meters for customers who refuse, only non-transmitting digital meters. A \$5 a month charge for meter reading, and a \$50 set-up fee for new refusals, even though customers who refuse "smart" meters are already subsidizing the financially unsustainable "smart" meters that they don't need or want.
